Review for the exam 3rd term

- Read and answer questions 1 , 2 and 3 according to the text:

A DIFFERENT PAIR OF EYES

This is Ginny the Labrador. She is very smart and happy. Ginny lives with Laura in Liverpool, she is Laura's eyes. Laura is blind and Ginny is her guide dog. Ginny helps Laura every day. In the morning, Ginny gets up at 7 o'clock and helps Laura get dressed. Then, they eat breakfast and walk to school together at 8 o'clock.

In the afternoon, Laura plays tennis at a tennis club for blind players and Ginny helps her too. After that, Laura runs in a park and Ginny runs with her.

At 6 o'clock, Laura and her family eat dinner, Ginny eats dog food and she loves it. After dinner, Laura does homework and Ginny relaxes on the sofa.

At 10 o'clock at night, they go to bed.

Laura has many friends but Ginny is the best.

*(Adapted from Impact Foundation)*
